P.W.D. 2	

') In the two letters read above the Senior Surgeon states that for the Medical Stores there have been two tenders for all articles and three for articles of bedding and clothing and that the tender of Mr. Honnappa is the cheapest, that in the case of the Victoria Hospital, Bangalore, there are two tenders for articles of diet and three for articles of bedding and clothing and that the tender of Mr. Dorasamami Mudaliar is the cheapest of the two for articles of diet and that of Mr. Mariappa for articles of bedding and clothing, and that in the case of the Krishnarajendra Hospital, Mysore, five tenders have been received for articles of diet and that the tender of Messrs Devasigamani Mudaliar & Co., is the cheapest of all.

") In forwarding the above letters for the orders of Government, the Senior Surgeon makes certain observations regarding the undesirability of giving the contract of any institution to

same contractor year after year or of giving the contract ~~xxxx~~ of several institutions to one -- person, on the authority of G.O. No. L. 3737-8/ 2nd 70-21-10, dated the 27th December 1921, wherein it is laid down "that the tendency to perpetuate tenders in the name of one and the same individual must be avoided, as it is calculated to create vested interest". The Senior Surgeon brings to notice certain irregularities on the part of Messrs. Honnappa and Doraswami Mudaliar, who have quoted least amounts for articles to be supplied to certain institutions.

3) At page 3 of his letter No. Pl.23-5-27, dated 13th/15th December 1924, the Senior Surgeon proposes to add the following two clauses in the next year's tender notice to the effect that (1) "one contractor will not be given the contract of more than one hospital and (2) "in respect of articles of bedding and clothing, tenders of approved dealers in piece-goods will alone be considered."

P.U.D.2

4) These proposals are also for consideration and orders, along with the question of selection of contractors to the several institutions from among the several tenderers.

5) The names of the tenderers for the several institutions mentioned in the two letters of the Senior Surgeon under consideration are given in the next ~~xx~~ two pages for information and orders, with certain other details relating thereto

(5) Messrs. Devasigamani Mudaliar & Co. Rs. 48,720-12-6

N.B. The cheapest tender is that of - Messrs. Devasigamani Mudaliar & Co., and is cheaper than that of Mr. C. I. Raju Mudaliar by Rs. 2,246-13-11 and that of Mr. Kuppusami Pillay by Rs. 3,757-10-5.

6) Tenders for articles of bedding and clothing for this hospital has not yet been submitted by the Senior Surgeon.

Submitted for orders.

C.R. 12/12 MK.

7) The Senior Surgeon considers that no one should enjoy the monopoly of supplying several of these institutions from year to year.

8) Keeping this in view and with reference to the tenders received for the several institutions under the charge of the Senior Surgeon and the Inspector-General of Prisons the following distribution is proposed:-

Mr. Doraswami Mudaliar for articles of diet for the Victoria Hospital he has tendered.	Rs. 38,269--0-10 against	Rs. 38,958--4-7	by Mr. Mariappa.
Mr. Doraswami Mudaliar for bedding & clothing	Rs. 5,168-15--6 against	Rs. 4,759-10-0	Do.
	Rs. 43,438--0--4	Rs. 43,717-14-7	

9) So Mr. Doraswami Mudaliar is cheapest only by Rs. 43,717-14-7 — Rs. 43,438-0-4 = Rs.279-14- As he is recommended for the Minto Hospital - tenders for which amount to Rs. 9,886-13-7 for

Diets etc., and Rs. 1,473-3-0 for Bedding and Clothing he will get contracts for Rs.11,360-0-7 for this hospital.

(c) And for Krishnarajendra Hospital, the tender of Messrs. Devasigamani Mudaliar & Co., is cheapest being Rs. 48,720-12-6 and they are said to be agents of Mr. D. Doraswami Mudaliar. The benefit of the contract will thus go to Mr. Doraswami Mudaliar. He will therefore practically get Rs. 60,000 worth of contract for the Krishnarajendra and Minto Hospitals. As such, his elimination from the tender for the Victoria Hospital may be considered. If this is ordered the contract for the latter may be given to Mr. Mariappa whose tender exceeds that of Mr. Doraswami Mudaliar only by Rs.280, for a sum of about Rs. 45,000. The Senior Surgeon is not in favour having Mr. Doraswami Mudaliar for the Victoria Hospital as Contractor. The above proposal will meet his objection as well as the spirit of the order of 1921 against monopoly being exercised by a single individual for several institutions.

(d) Mr. Mariappa has tendered also for the Medical Stores and the Lunatic Asylum against Mr. Honnappa who has tendered lower rates than the former. The tenders for these institution for articles of diet amount to about Rs.45,000. As Mr. Honnappa will get contract for the Jails also which amount to Rs. 40,000, Mr. Mariappa may be given in addition to the contract for the Lunatic Asylum as well and Mr. Honnappa for Victoria Hospital be given the contracts

the Medical Stores and Jails.

12) As regards bedding and clothing for other than Victoria Hospital, the tenders of Messrs. Abdul Karim & Sons who are dealers in piece-goods may perhaps be accepted on the principle proposed by the Senior Surgeon to be adopted in regard to next year's contract. The tenders o the firm are not much higher than the lowest offered. But considering the facility of supply which the institutions will enjoy from the piece-goods merchants, their tenders may perha be accepted.

13) As Stores Purchase Committee Law Stated that all these Contracts have to be dealt with by the administrative Section, all the tenders including tenders for jails are submitted for orders

14) It is not the happiness alone that has to be looked to in the tenders of the Contractors, but their things also viz. the quality of the articles supplied in the past, his solvency & his ability to supply good articles ensuring quick delivery. No hard & fast rule can be laid down in this matter. Each case will have to be governed by its own merits. One rule that a Contractor who

should not be allowed to become a standing Contractor for all times to [illegible], but it will have to be departed from in special cases eg: When a Contractor has suffered losses due to [illegible] causes beyond his control, the Justice & Equity may demand that he shd be given his Contract for next year also - Further experience gained by a Contractor may be a factor in considering whether his

Contract shd not be renewed

15) As regards the Contractor himself and to supply to prevent their watching he depends upon his capacity and his financial position. On principle there seems to be no objection why he should not supply articles of good quality at a cheap rate to several institutions at the same time, bearing these principles in mind, the Secretary Engineer may be asked to send up his definite recommendations.

16 In the light of the observations contained in the First Member's note dated 20th December 1924, I would recommend the acceptance of the cheapest tender in each case on the ground that no contractor has been absolutely faultless and that the Medical Officer of each institution has the power to get mistakes rectified then and there and recover losses (if any) promptly from the monthly bills of the defaulting contractor, when necessary. It will be a gain to Government to accept the cheapest of the tenders in each case.

17) I have received from Messrs. Daivasigamony Modali & Co, two communications. One dated 15th December 1924, (enclosed herein) is to the effect that the Firm was registered in the office of the Sub Registrar, Bangalore City, in proof of which a receipt bearing No.143, dated 15-12-24 from the Sub Registrar has been sent. The document may be a partnership deed or anything else. But it is not necessary to go into the question of the nature or legal force of the document now. The other, dated 19-12-24 is a copy of a petition said to have been presented to the First Member by the Firm. The allegations made in that petition deserve no notice.

18) The recommendations made in my several letters were mainly based on the principle laid down in G.O.NC.L. 3737-8-Med.70-21-10, dated 27-12-21, a suitable modification of which may kindly be now ordered by Govt. for future guidance.

C.C. 16/12/1924

The Secretary to the Government of H. H.
the Maharaja of Mysore, Local & Legislative Deptts.
Bangalore.

SIR,

I have the honor to state that a notice calling for tenders for the supply of country medicines, etc, to the Medical Stores during the calendar year 1925 was published in the Mysore Gazette dated 2nd October 1924 and in the principal local news papers, Kannada and English and in response thereto, two tenders were received in respect of all the articles included in the notice, viz., one from Mr. C.Honnappa, the present contractor and one from Mr.C.Mariyappa, while a third tender for articles of bedding and clothing alone was received from Messrs. Abdul Cureem & Sons.

From the comparative statement submitted by the Superintendent and checked in my office, I find that the tender of Mr. C. Honnappa, the present contractor,is the cheapest, being cheaper than the next higher tender of Messrs. Abdul Cureem & sons by Rs.17-10-0.

As regards the other articles, the tender of Mr.Honnappa is cheaper than that of Mr.Mariappa by about Rs.610. Thus the tender of Mr. Honnappa has to be accepted for all articles if the selection is to be based on cheapness alone.

I would, however, beg to invite attention to what has been submitted by me in connection with the tenders of the

Victoria Hospital, regarding the desirability of discouraging the practice of allowing the same individual having the contract of multiple institutions and acquiring vested interests, as observed in G.O.No.L.3737-8-Med.70.21.10, dated 27th December 1921.

Mr. Honnappa has already been recommended for selection as contractor for supply of ration articles to the Central Jail, Bangalore. his tender being the cheapest. He also gets the contract of the Lunatic Asylum on the score of cheapness. If the Stores contract also goes to him it will be another case like that of Mr. Doreswami Mudaliar. I may also bring to the notice of Government in this connection that Mr. Honnappa was fined Rs.20 in 1923 for irregular supply of milk to the Maternity Hospital, Bangalore, in spite of which he has given room to be twice reported against during the current year for the same fault and I have again fined him Rs.10.

If the contracts of more than one institution are secured by the same individual (whether in his own name or by assumed names) the work is bound to get beyond his capacity and the supply of one of the institutions will suffer, however much he might try to cover his faults. In these circumstances I submit for the consideration of Government the expediency of denying to him the contract of one of the above institutions in spite of his tender being the lowest.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.

CONFIDENTIAL.

OFFICE OF THE SENIOR SURGEON WITH THE GOVT. OF MYSORE,

BANGALORE. 13/15.12.....1924

2nd 14-24-9.

FROM

Senior Surgeon with the Government of His Highness the Maharaja of Mysore, Bangalore.

To

The Secretary to the Government of His Highness the Maharaja of Mysore, Local & Legislative Deptts, Bangalore.

Sir,

In forwarding the enclosed papers relating to the tenders for the supply of diet and other articles to the Victoria and the Krishnarajendra Hospitals for the calendar year 1925, I have the honor to state as follows.

VICTORIA HOSPITAL, BANGALORE.

The notice calling for tenders was published in the Mysore Gazette dated 25th September 1924 and the abstract thereof in two subsequent issues of the Gazette and in six local newspapers (English and Kannada). Two tenders in respect of diet, etc, articles, one from Mr.C.Doreswami Mudaliar and one from Mr. C.Mariyappa were received, and three in respect of articles of bedding and clothing, viz., from the above two and from an approved firm of dealers in piecegoods -Messrs.Abdul Cureem & Sons of the C. & M. Station.

The comparative statement based on actual comsumption, submitted by the Medical Officer and checked in my office will show that Mr. Doreswami Mudaliar's tender for diet articles is cheaper than that of Mr.C.Mariyappa by about Rs.689/- and the tender of Mr. Mariyappa is the cheapest for bedding and clothing, being cheaper than the next higher one of Messrs.Abdul Cureem & Sons, by Rs.114-4-0. If the cheapest tenders are to be accepted, the contract for diet articles will have to be given

to Mr. C.Doreswami Mudaliar, the present contractor of the Hospital and that of bedding and clothing to Mr.C.Mariappa.

KRISHNARAJENDRA HOSPITAL, MYSORE.

The notice calling for tenders in this case was published in the Mysore Gazette of 18th September and in two subsequent issues of the Gazette and in four newspapers in Mysore. Five tenders were received from the marginally named persons in respect of diet, etc. articles, and the Medical Officer has submitted them with a comparative statement, which has been duly checked in my office. It will be seen that the tender of Messrs. Devasigamoni Mdr. & Co, the present Contractors, is the cheapest of all.

1.Messrs.Devasigamoni Mdr.& Co.
2.Mr.C.I.Raju Mdr.
3.Mr.Kuppuswami Pillay
4.Messrs.Virupakskiah & Sivappa.
5. Mr.M.S.Mahadevaah.

From this office records it was evident that Mr. C.Doreswami Mudaliar, the contractor of the Victoria Hospital had applied as a partner of Devasigamoni & Co, for permission to execute, the bond on behalf of Messrs.Devasigamoni Mudaliar & Co, in this office, instead of before the Medical Officer of the Krishnarajendra Hospital, on the ground of his illness and inability to go to Mysore, and he was permitted to do so. Accordingly I made enquiries as to the local standing and other particulars of this firm and a copy of the Medical Officer's D.O.is herein enclosed. He reports that the firm is only a bogus name assumed by three individuals, Devasigamoni Mudr, Raju Mudaliar and their father Iyaswami Mudaliar, that it has no office or place of business in Mysore but that it owns house property in the Bangalore Cantonment and some wet lands in Madras. From the fact that Mr.Doreswami Mudaliar is omitted from the list of partners although he was the chief working partner and had even executed the bond for the current year's contract, the information obtained and forwarded by the Medical Officer must be what was given to him by the party concerned and has to be taken

for what it is worth. The Medical Officer, however, says that, so far the execution of the contract by the firm during the current year has been without fault. The experience of the Medical Officer of the Victoria Hospital about Mr. Doreswami Mudaliar is, however, different, as can be seen from his D.O. (copy enclosed) to the effect that the hospital authorities had to purchase coffee in the market and charge it to the Contractor as his supply was found to be inferior and adulterated.

I would also beg to submit the following general points for the consideration and orders of Government in the matter of these hospital contracts. As already pointed out in G.O.No. 3737-8 Med 70-21-10 dated 27th December 1921 a tendency towards monopoly is to be discouraged. For obvious reasons, it is decidedly better to give the contract to a resident contractor who has some local standing and whose solvency is indisputable and known in the locality, than to a non-resident competitor whose position is doubtful. In the event of any loss to Government, by resale of the contract or other cause, there should be sure means of recovering the same from the assets of the party, besides merely the security deposit which does not amount to much. Again, if one contractor is allowed more than one institution his work and responsibility will become too unwieldy and it will be impossible for him to give personal attention in each case and he will have to get the work done by agents, giving rise to complaints. For this reason, I mean to add a clause in the next year's notice to the effect that one contractor will not be given the contract of more than one hospital. This will give scope to new persons to come in, who are now scared away by the ~~absurd~~ too low rates and other methods employed by the same man in securing the contract every year and will give rise to more healthy competition.

Again, in the matter of bedding and clothing, I beg to state that people who deal in provisions and ~~general~~ miscellaneous articles cannot execute bedding & clothing contract satisfactorily and my experience is that they supply indifferent things

to suit the low rates quoted by them for the purpose of securing the contract. It is best in the interest of the patients and of the hospitals as well, to entrust the supply of these articles to dealers in piecegoods. I would therefore propose to specify in the next year's tender notice that in respect of articles of bedding and clothing, tenders of approved dealers in piecegoods will alone be considered.

If the cheapest tender is to be accepted in each case then Mr. Doreswami Mudaliar has to get the contract of the Victoria Hospital in his own name and that of the Krishnarajendra Hospital in the name of Devasigamoni Mdr. & Co. He has already been recommended as being the cheapest tenderer for the supply of diet and other articles to the Minto Ophthalmic Hospital, Thus he will monopolise the supply work of the three biggest institutions of the department, in violation of the spirit of G.O.No. 3717-8. Med 70-21-10 dt 27-12-21.

If the principle of preferring a resident to a non-resident contractor is accepted, then Devasigamoni & Co, as well as Mr.C.I.Raju Mudaliar. who if he is one of the partners of the firm (C.Iyasami Raju Mudaliar), will be ineligible for acceptance and the tender of Mr.Kuppuswami Pillay which is the cheapest of the remaining three local residents would deserve selection. This person held the contract of the Krishnarajendra Hospital in the year 1923.

I submit all the papers for the orders of Government.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.

D.O. letter No.nil, dated 3rd December 1924, from the Medical Officer, Victoria Hospital, to the Senior Surgeon.

"I wish to bring the following facts to your kind notice

1. Coffee of varying qualities was being supplied by the Contractor during previous years and in order to ensure the supply of uniformly good coffee, I specified in the tenders for this year that Staine's Coffee should be supplied.

2. Contractor C.Doreswami Mudaliar was supplying Staine's Coffee till recently. But last week he was found to supply coffee mixed with chicory and on being questioned, he gave lame excuses. The reason, however, is not far to seek, as you are aware that the market price of coffee has gone up by over 50 %.

3. This action of the contractor necessitated the purchase of Staine's coffee from contingencies, the amount being debited to the Contractor's account.

4. This morning the contractor showed me an invoice from Staines & Co for a consignmat of coffee that he is expecting"

Yours sincerely,

(Sd.) S. Subba Rao."

D.O.No.1, dated 7th December 1924, from the Medical Officer, Krishnarajendra Hospital, Mysore, to the Senior Surgeon, in reply to this office D.O. calling for certain information.

"In reply to the above, I write this to state as follows for your kind information and disposal:-

1. The firm of Messrs.Devasigamoni Mudaliar & Co. is not a corporate body having any real existence but is only a bogus name assumed by Devasigamoni Mudaliar, his brother Raju Mudaliar and his father Ayyasamy Mudaliar.

2. The firm has no real existence, and no local standing, no place of business or office here.

3. Other assets of the firm besides the usual security deposit are:-

House property worth about Rs.15,000, in 70, 70A, 96 and 97, Dispensary Road, Cantonment,Bangalore. Landed property, (wet lands) worth Rs.1,500 in Alapack, near Madras.

Besides, they run a backery in a rented shop in 86, Dispensary Road, Cantonment, Bangalore.

4. The execution of the present year's contract by the firm has been so far free from faults.

Yours sincerely,

(Signed) D. S. Puttanna.

To

The Hon'ble The First Member

The Government of His Highness

The Maharaja of Mysore

A N G A L O R E

Honoured Sir,

We the undersigned respectfully beg to submit as follows:-

We are a firm of registered Company in the Mysore State doing vast business in Food Provisions etc. We have submitted our tender for supply of all articles to the Krishnarajendra Hospital Mysore for the year 1925. So far as we have been able to understand, our tender compares favourably in all matters with the other tenders. Further we have had experience of over 15 years in the matter of supplying provisions of the kind under consideration, of which 8 full years have been devoted to the work of Mysore State Hospitals. Throughout these eight years there is not a single occasion in which any kind of even the smallest dissatisfaction has been expressed of our conduct in any manner. Inspite of our being qualified to take up the Contract work for 1925 several interested persons have been machinating to deprive us of this contract. Government is being graciously pleased to entrust the work all these years to us mainly on account of this consideration, namely during Influenza year, we supplied the required provisions to the Hospitals, though we had to suffer heavy loss thereby. There have been Government official records to show the nature of services rendered by us in that year. We are ever ready to satisfy the authorities that we are in every way capable of discharging our functions much better than any of those in the field. We therefore pray that our tender be considered in the light of the above facts and circum-

rcumstances the same be accepted, and we be granted the privilege of serving the sick as we have been doing these eight years

We beg to remain,

Honoured Sir

Your most obedient Servants.

Respected Sir,

We come to understand that, either you or the Local and Legislative Secretary decided to day to dispose of the Hospital Contracts for 1925 between the only three contractors of Bangalore, although there are a good lot of other contractors of the Mysore State Hospitals who are more competent than the above three, as such, their case deserve equal recognation by the Govt. on some broad principal of favouring each and every one without considering the saving to Govt, for which purpose clay tenders are called for, which should not be over looked. We pray that the decision arrived at by you or the Local and Legislative

LOCAL SELF GOVT. ...

Respected Sir,

We request we may be excused for taking the liberty of bringing to your kind notice these few lines for kind perusal and favourable disposal:

We have tendered for the Supply of Bedding and Clothing to the Victoria Hospital, Bangalore, as usual, for the year 1925. We also learn that a diet contractor has tendered his rates, working out his total to a figure slightly smaller than ours.

We really cannot understand how he has been able to offer lower rates, He is neither a dealer in piece goods., nor, is he in a position to discharge his contract satisfactorily, as evidenced by his failure in the past in the same Departments.

We only request your Honour to kindly give our tender a sympathetic consideration and not to overlook same for the difference of a negligible figure, as we are one of the oldest suppliers to the Several Hospitals, and as we are one of the approve Clothing Contractors.

Always at your services,

Yours faithfully,

Abdul Cureem & Sons
